**U.S. PATENT DOCUMENTS**

|   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY <sup>1</sup> | Name | Classification <sup>2</sup> |
|---|--|------------------------------|------|-----------------------------|
| A |  |                              |      |                             |
| B |  |                              |      |                             |
| C |  |                              |      |                             |
| D |  |                              |      |                             |
| E |  |                              |      |                             |
| F |  |                              |      |                             |
| G |  |                              |      |                             |
| H |  |                              |      |                             |
| I |  |                              |      |                             |
| J |  |                              |      |                             |
| K |  |                              |      |                             |
| L |  |                              |      |                             |
| M |  |                              |      |                             |

**FOREIGN PATENT DOCUMENTS**

|   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY <sup>1</sup> | Country | Name | Classification <sup>2</sup> |
|---|--|------------------------------|---------|------|-----------------------------|
| N |  |                              |         |      |                             |
| O |  |                              |         |      |                             |
| P |  |                              |         |      |                             |
| Q |  |                              |         |      |                             |
| R |  |                              |         |      |                             |
| S |  |                              |         |      |                             |
| T |  |                              |         |      |                             |

**NON-PATENT DOCUMENTS**

|   | Include, as applicable: Author, Title, Date, Publisher, Edition or Volume, Pertinent Pages  |
|---|---|
| U | Wu et al., Solid-phase synthesis of 3-aminohydantoi, dihydruracil, thiohydantoin and dihydrouacil derivatives, Tetrahedron Letters, 41(8), pp. 1165-1169, 2000. |
| V | Wu et al., An efficient one-pot synthesis of 3-aminohydantoin and 3-aminodihydruracil derivatives, Tetrahedron Letters, 41(8), pp. 1159-1163, 2000.             |
| W |   |
| X |   |
